

# DISCIPLE THAILAND MINISTRIES

JULY 2021

The King will answer and say to them, “Truly I say to you, to the extent that you did it to one of these brothers of Mine, even the least of them, you did it to me.”

Matthew 25:40

## Updates from Pin:

I want to thank the Lord for your support of our work. His goodness never ends! This month we continue to help the Thai people suffering from Covid by buying more survival bags and by helping some families who need help buying school uniforms. Things in Thailand have continued to be dire, with most people borrowing from others so they can take care of their families. However, we aren't alone in recognizing God's goodness in our lives, those we minister to have had an opportunity to see it through our actions.

## Our new semester:

We just received two new girls into the home and took them out to minister with us. They were very excited and they did great! All of our girls are back from their summer break and studying online since the school has not opened up for them to go back in person. One of the girls in our house was able to share the gospel with her friend. She wanted to go to church, but we are still having church online. We were able to lead her to the Lord over the phone!

## Our two graduates:

We had two of our girls graduate this last

semester. They wanted to express their gratitude to you all for your support.

Kana says, “Thank you for your support for me while I have been a student. Before I came

to Hannah House I had to have a job while attending the university. I was overly tired because I would study during the day and work at night to support myself. As a result, I would fall asleep in the classroom. I found Hannah House and ended up living there for four years. I am now a teacher in Chiang Mai and live 30 minutes from the home. I have received so much from Hannah House. I have grown close to God and live a life of surrender to Christ. He has also helped me to be a leader.”

Pat says, “Thank you for supporting me to live at Hannah House. They helped me to grow spiritually and I love when we do outreach. Every time we go out, we pray and worship God. I see how these times have been so powerful. I thank God for bringing me to Hannah House and for taking care of me.

### **Myanmar:**

We are continuing to buy food for those at the Thai-Burma border. It rains all the time making the trip very difficult. Every time they see the food we send makes the people very thankful. Not all are believers, but we know that God’s love is for everyone. I want to thank you all for loving these people who you haven’t met. Love has no boundaries.
